## CONDITIONS OF SALE

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use. Seller shall not be responsible for incidental or consequential damages, if any, resulting from a breach of warranty.

## GENERAL INFORMATION

This controlled release formulation contains Uflexx and Milorganite to provide 8 weeks of controlled growth. Athletic Mix contains humates and key micronutrients: 1Fe, 10Ca, with many more in the milorganite. This fertilizer is excellent for summer maintenance. Athletic Mix is a 100% controlled release nitrogen fertilizer that contains 1% iron.
